

Tally

Tally should take place on or near the external ramps of the vessel.
Tally company must check that cargo is discharged according to the deck plans.

Tally plan (block of cargo) to contain the following:

Discharge port and load port

Number of unit (divided into cars, pick-ups/vans, trucks, etc)

Dangerous Goods to be specifically marked

Weight of units in the block

Total weight of the cargo loaded; marked for each deck

Tally papers to consist of:

Höegh Autoliners Summary Sheet

Tally papers are to be handed over to Höegh Autoliners Agent, Höegh Autoliners Port Captain and Vessel's Master
